

# An Ethical Start®

## Friends & Family Sharing Night

Please join Mrs. Judy music and Mrs. Bernstein as we welcome JCC Association An Ethical Start® Consultant Rabbi Mike Stern for a return visit to Akron. An evening of *mizvot* (good deeds), *zedakah*, (doing the right thing), information and fun An Ethical Start® Family Programming will warm our February spirits. We will be creating a community friendship quilt. Great food and new and old friends help you explore our great ECE curriculum just like the kids do in the classroom.
